AUTHORITY: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: The Middle Class Tax Relief and Job Creation Act of 2012, Pub. L. 112-96, provides States with the opportunity to allow Unemployment Insurance claimants in the Federal Emergency Unemployment Compensation program of 2008 to participate in a reemployment program that helps them start their own businesses. This is known as the Self-Employment Assistance (SEA) program. Currently, a handful of States use this reemployment program, for which a minor amount of information (claimants entering the program and weeks and amounts paid) is collected under OMB Control Number 1205-0010. With the expansion of this program to something that could involve more people and with a need to collect data documenting State activities and results, the ETA seeks an extension of the OMB approval under Control Number 1205-0490 for a reporting instrument specific to the SEA program.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of

information does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0490. The current approval is scheduled to expire on September 30, 2012; however, it should be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional information, see the related notice published in the Federal Register on June 22, 2012 (77 FR 37715).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within 30 days of publication of this notice in the Federal Register. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1205-0490. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
 - Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
 - Enhance the quality, utility, and clarity of the information to be collected;
- and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or

other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
